Note:		Puppetry club will cover everything you need to know about puppets! We will learn how to build puppets, with a focus on upcycled materials and sustainability. Next we learn how to perform with them and make them come alive! Finally, we will work on developing performance pieces to show. All materials are provided. To see examples of what we create, please visit: http://www.duckielorange.com/education/	Puppetry club will cover everything you need to know about puppets!
